Quick ways to raise your first \$125:

Ask your network – Reach out to five friends and ask each for a \$25 donation.

Skip takeout for a cause – Cook at home for a couple of weeks instead of dining out, and donate what you save.

Declutter and donate – Hold a garage sale to sell clothes or household items you no longer use, then put the proceeds toward your fundraising.

Get your community involved – Organize a themed dress-up day at work, the gym, or your faith community and ask for small donations to participate.

Fundraise online – Share your personal DogFest fundraising page by copying and pasting your URL into Facebook or Instagram.

Check for matching gift – See if your workplace matches charitable donations.

Take the Fundraising Challenge – Complete the fundraising square game on the reverse to hit your goal!
