PUPPY RAISING

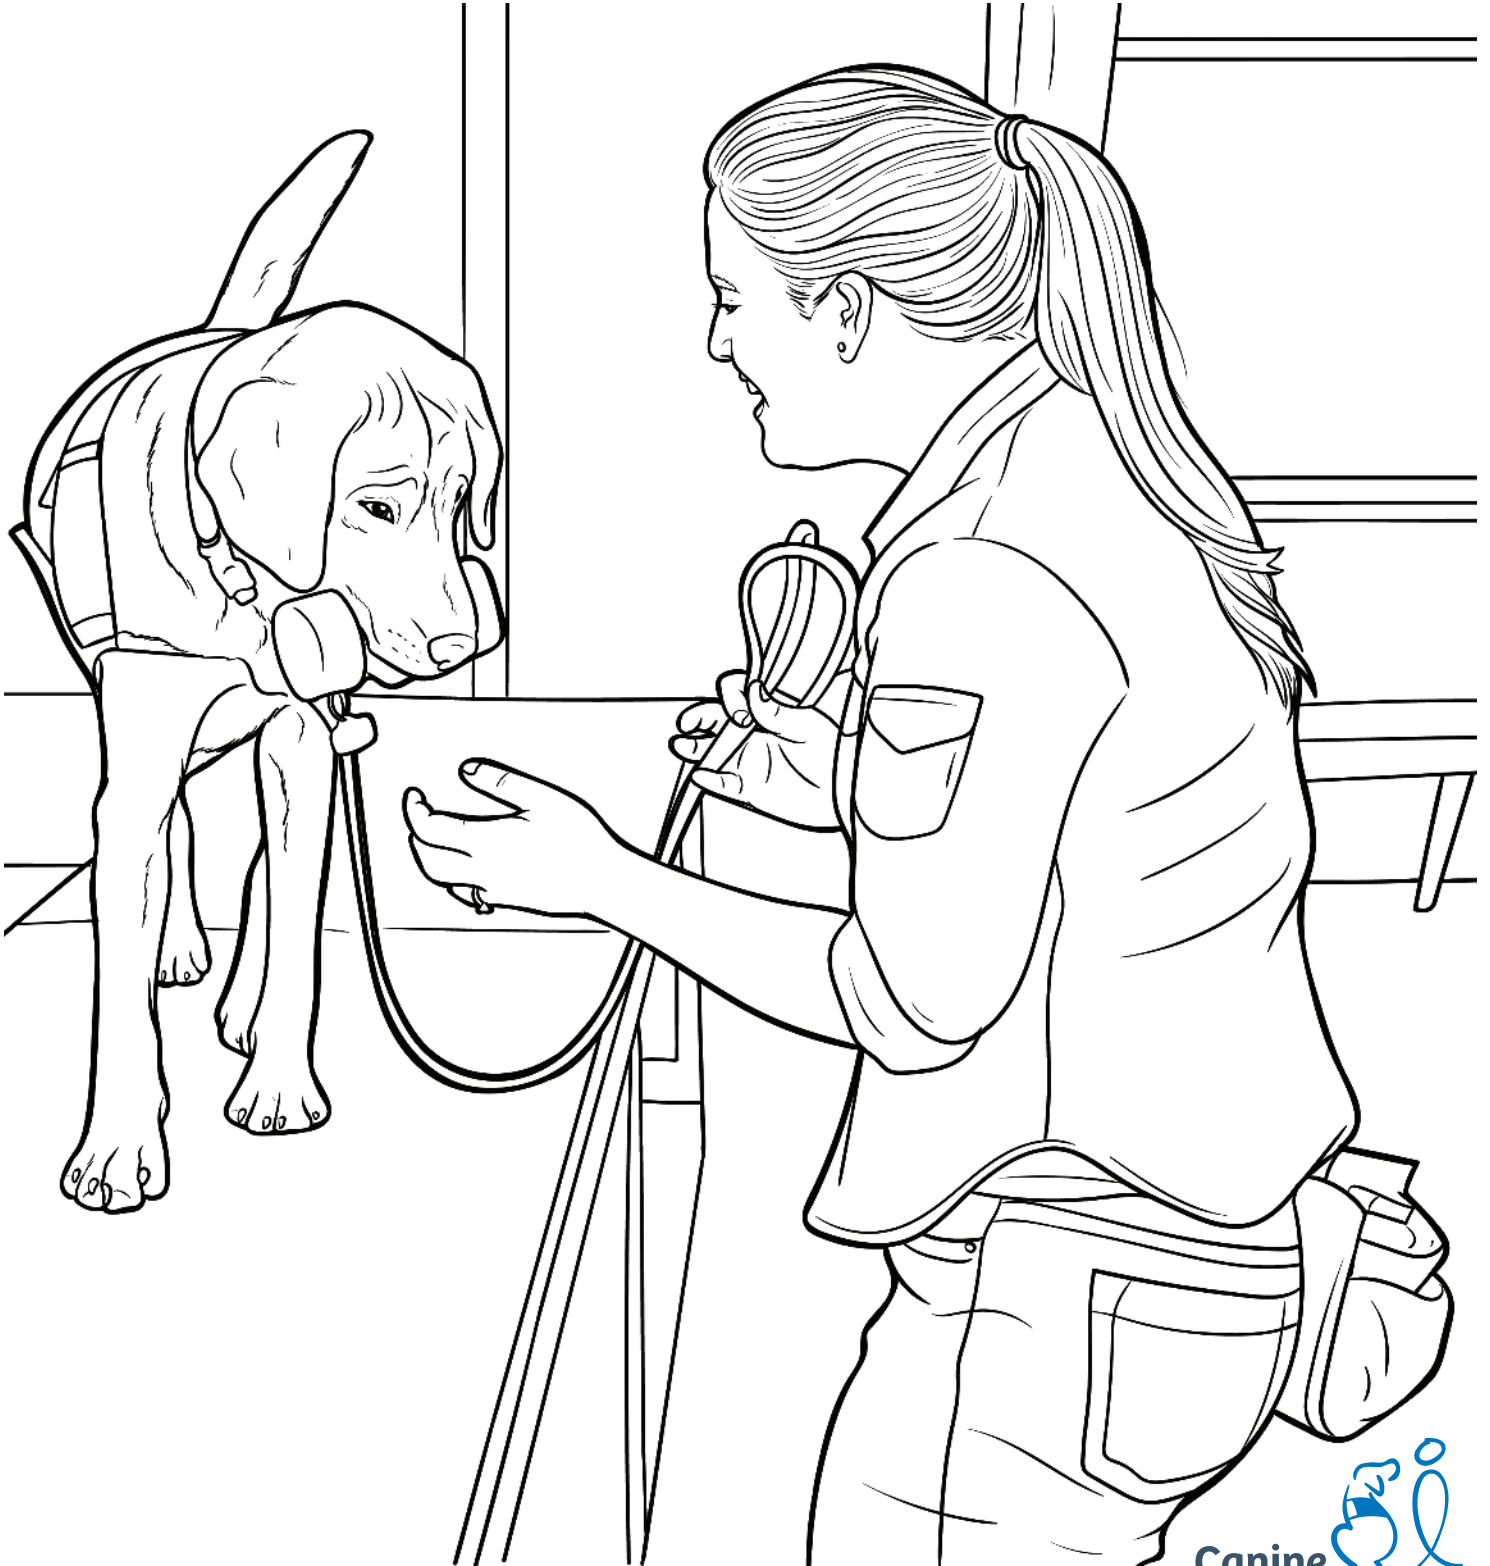

Puppies are born into the homes of loving volunteers and then raised by volunteer puppy raisers for 16 months.
Learn more at canine.org/servicedogmonth.

PROFESSIONAL TRAINING

At 16-18 months old, the dog comes and trains at one of six Canine Companions training centers and learns 45 helpful skills! **Learn more at canine.org/servicedogmonth.**

GRADUATION

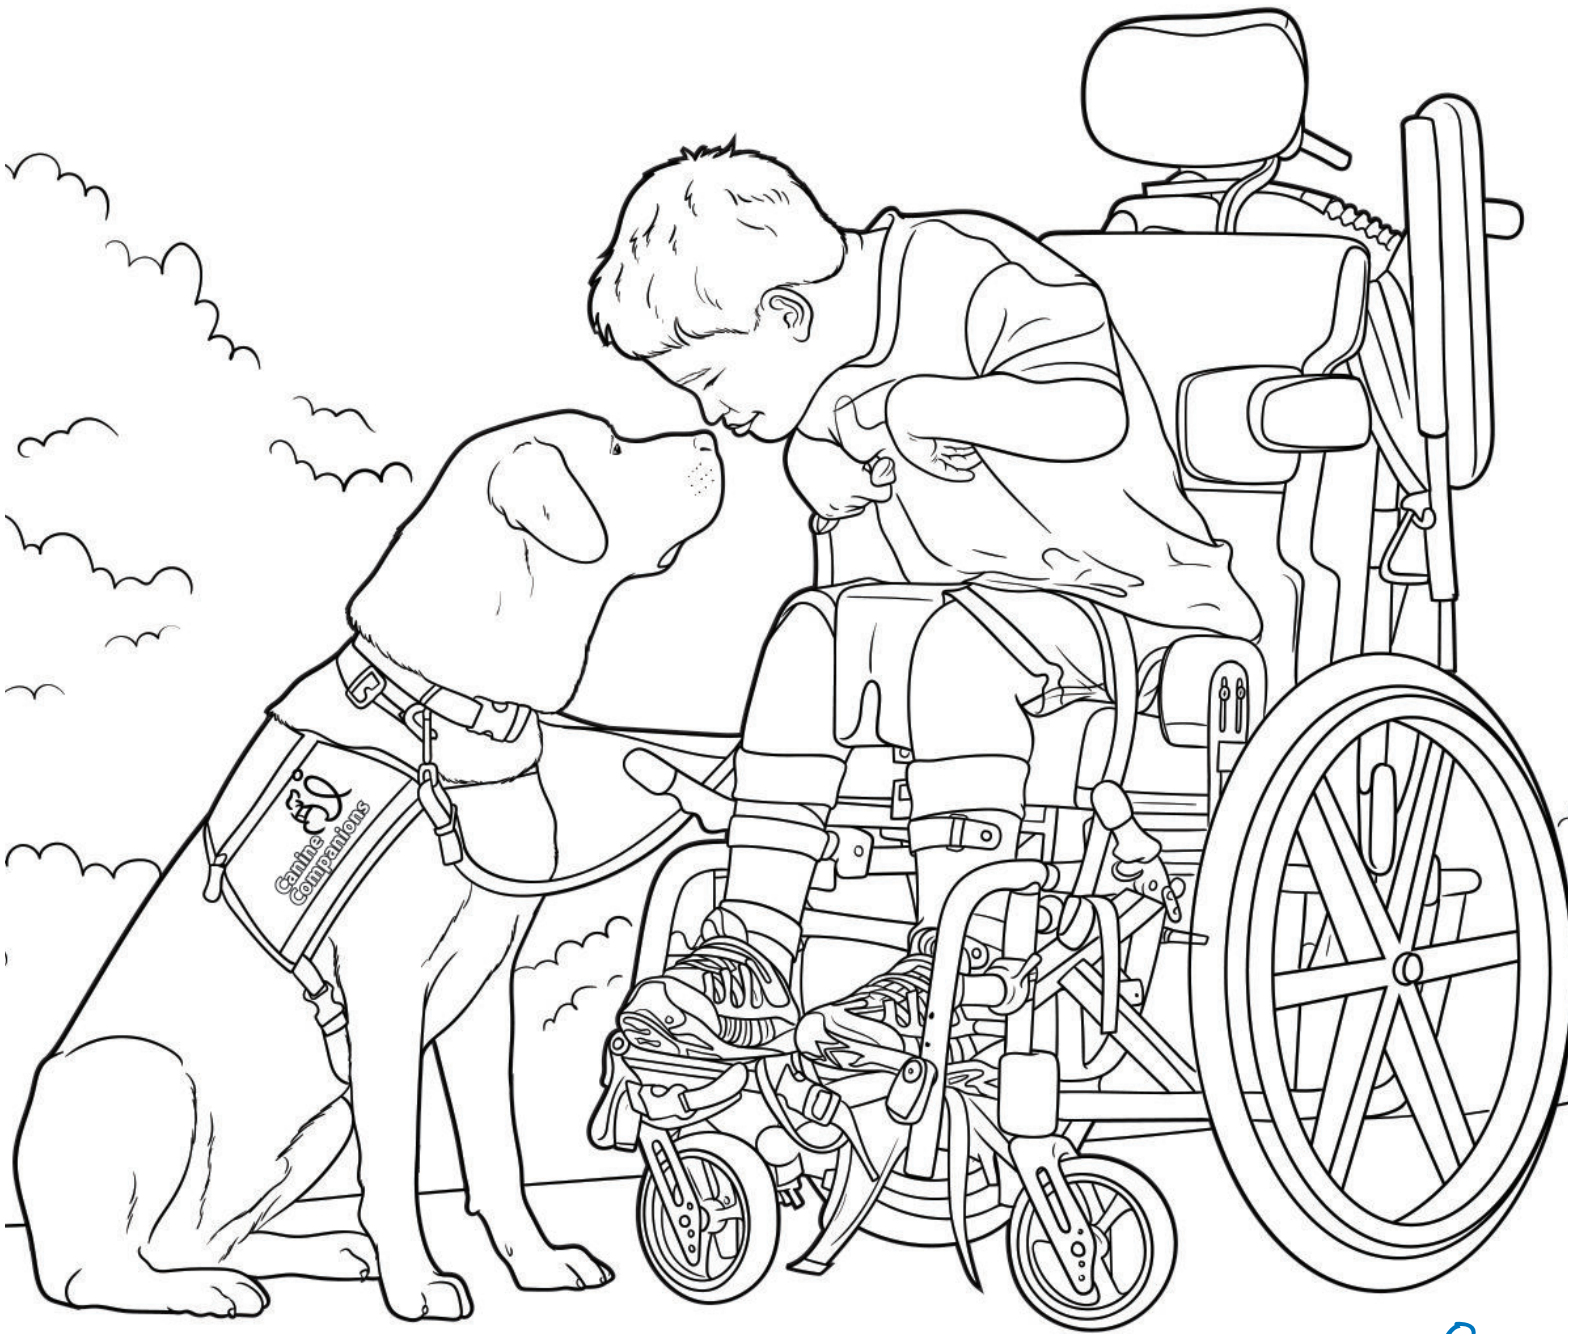

After mastering advanced skills at a Canine Companions training center, a service dog is ready to graduate!
Learn more at canine.org/graduation.

THE MATCH

The dog is carefully matched to a person with a disability. They learn to work together as a team and celebrate during graduation. **Learn more at canine.org/servicedogmonth.**

ANDY: A DOG'S TALE

From puppy to hero. Andy learns about the world around him and discovers his destiny - to become a Canine Companions service dog.
